Office Details

breakfast bar, creating a hub of the home that is perfect for gatherings. The king-sized master bedroom features a walk-through his and hers robe leading to the stylish ensuite, equipped with a central his and hers basin vanity and separate shower and toilet on either side. The main living area is well planned, providing separate spaces for dining and lounging, while the study with data points is an added bonus. The minor bedrooms are decently sized with built-in robes, and the main bathroom features a large vanity, separate bath, and shower with a glass pivot door. The laundry is functional, with overhead cupboards and a built-in linen cupboard.

Other features of this magnificent home include timber floors and high ceilings, a front security screen door for peace of mind, drop-down outdoor screens for the rear alfresco area, and a large rear yard with side access. The double garage features shoppers entry and rear access for added convenience.
